Dear AVEK Customer,

The Antelope Valley-East Kern (AVEK) Water Agency will consider 2022 water rates at a Public Hearing set for Thursday, December 14, 2021, at 5:30 p.m.

Input from our customers is crucial to the strategic decision-making process at the Antelope Valley-East Kern Water Agency. The AVEK Board of Directors believes this is especially true when it comes to planning for the future water supply needs of our region.

Please plan on joining our management staff, in-person or via Zoom, to discuss strategies for the coming year. Details are as follows:
